## MY TEAM APP

A Project Performance Questionnaire measuring Team Performance Satisfaction from an Individual Perspective

### LEARN ABOUT

- ✓The satisfaction level of the team's performance, relative to any project "on the go" , from each team member's perspective
- ✓Areas of Alignment and Differences in Satisfaction amongst team members who complete the My Team questionnaire
- ✓Performance Satisfaction % for each of the Work Functions, from each team member's perspective.

### APP USES

- As a tool to determine which work functions are of key importance for an upcoming project
- As a check in on alignment of satisfaction throughout the life of a project
- As a debrief of a project following its completion.
